

NCAE National Board Certification Network Fall I 2018 Regional Support Sessions

NCAE NBCT Network Fall Seminar I: *Understanding the Process and Getting Started*

The **NCAE Fall I Support Session** focus is on the process with an overview of the four components, the Body of Knowledge, and content standards. This session will provide an opportunity for you to connect with a National Board Certified Teacher, who is trained to coach candidates through the logistics of certification. Space is limited to 30 participants in each seminar across the state, so please complete this registration form selecting your site and submit your payment. Confirmation will be sent one week prior to session with all logistics.
